

# Hawaii's Big Island

## Hilo

**H**ilo is a wonder to behold, where you'll find the spine-tingling sight of a volcano erupting molten lava and dramatic snow capped peaks.

A journey through Volcanoes National Park brings you face-to-face with the ferocious power of nature. Kilauea is the world's most active volcano and the most famous. The Thurston Lava Tube, located near the summit of Kilauea, allows you to view lava from the inside out. Not all nature in Hilo is ferocious. The Waipio Valley is brimming with dazzling flowers and spectacular waterfalls. The area features large rainforests, creating a laid-back atmosphere that is great for hiking.

## Vacation Enhancing Tours

*Make the most of your vacation, and book your tours before your trip. Everything will be prearranged and all you have to do is enjoy!*

**Circle Island/Volcano Excursion:** This sweeping tour of the Big Island begins at Kilauea, and then travels through Hilo Town's vibrant orchid fields. Time permitting, you'll view the 80-foot Rainbow Falls. A final jaunt past coastal sugar cane fields will bring you to Parker Ranch for some Old West flavor done Hawaiian style.

**Atlantis Submarine - Kona:** Enjoy sweeping coastal vistas on your way to a voyage to depths of 100 feet. You'll catch glimpses of reef life in a rainbow of color while your submarine co-pilot provides commentary.

**Big Island Volcano Deluxe Helicopter Adventure:** Endowed with 11 out of 13 climate zones present in the world, the Big Island is host to a variety landscapes. Sights include Kilauea and the Kohala Mountains' roaring waterfalls.

**Red Sail Sports Sunset Dinner Sail:** Sail away on a premier 50-foot catamaran. Bask in the twilight of the Big Island coastline and its majestic mountains. The tour includes a dinner and all beverages.

**Dahana Ranch Horseback Adventure:** At the Dahana Ranch, plunge into the emerald green foothills of Mauna Kea along with a guide who will narrate and provide helpful riding tips.

**Body Glove Whale Watch - Kona:** This three-hour whale watch cruise is designed to bring the world of the Humpback to the surface as underwater hydrophones tap into their intimate life and sounds. It's an eco-adventure that will educate you on their complex behavioral patterns and provide excellent photo opportunities.

**Fair Wind Afternoon Snorkel Sail - Kona:** Ride a 60-foot custom catamaran designed for snorkeling at Kealahou Bay. A 15-foot water slide, fresh water shower, high-jump platform, boogie boards, view boxes and various flotation devices make this trip fun for all ages.

**Kohala Country Falls Adventure - Kona:** Your drive through the Kohala countryside includes a four-wheel drive adventure to a trailhead. The trail is an easy walk that offers streams and waterfalls, plus ancient Hawaiian terraces and flumes along the famous Kohala Ditch. With countryside views and a dip in a mountain stream with cascading falls, this is an ideal family day.
